Dear Friends:

As many of you are aware, I have decided to run for City Council in the June 8 election to fill the remainder of Joe DeVito's term. I'll run again in November for a full four year term.

I moved to Ojai some seventeen years ago. The protection of our physical beauty and our open spaces, the fostering of the arts, and support for our locally owned businesses, have always been important to me as a resident of this City. I have regularly attended City Council and Planning Commission meetings, frequently speaking out in favor of projects and ideas that promote the ideals that make Ojai special, and against those that are antithetical to these ideals. In addition, I have traveled to Massachusetts to attend a conference on protecting small cities from the threats of chain stores, and Santa Maria to address the County Planning Commission on the threat to our Valley from gravel trucks coming down Highway 33 into our community. In addition, I was part of a delegation put together by then Mayor Nina Shelley to address the Supervisors on the threat posed by a Nextel proposal to build a series of 60 foot towers along our view shed.

To learn more about my background, my position on the issues, and my qualifications to serve the people of Ojai as a member of the City Council, please visit my website www.klaif4ojai.com.

I have been encouraged by many kind words of Ojai residents who support my candidacy. I now ask you to support my campaign with your financial support.

You can contact me at len@klaif4ojai.com with any questions, suggestions, or thoughts about our wonderful community. Or call me at 805 640-9659.

Thank you for your support.
